PREPARATION

Prepare the cracker:

Mix together the butter, flour and sugar until a smooth paste is obtained.
Roll out thinly between two baking sheets and place in the fridge.

Preheat the oven to 180°C.

Prepare the puff pastry:

Beat the eggs in a small bowl.

Heat the butter, water and sugar over medium heat then add the flour all at once.
Whisk vigorously to dry out the panade. Off the heat, add the beaten eggs and
continue beating.

Then place the dough in a piping bag fitted with a smooth tip.

Pipe the puffs on a baking sheet and place a circle of cracker of the same size on top.
Bake for 30 minutes without opening the oven!

When the puffs are cooled, use the piping bag to fill them with about 5g of Nutella
per puff.

Form a pyramid with puffs. You can decorate the puffs with a small drop of Nutella
on top.
