

## Marshmallow Crispy Bites with CRUNCH® Pieces

Ice Cream | Dessert | All year round

**Yields: 6 Crispy Balls**

### INGREDIENTS

#### For Rice Crisps:

- 3 ea. Chocolate Rice Crispy Treats, Ready To Eat
- 3 ea. Rice Crispy Treats, Ready To Eat

#### For Dipping:

- 1 ½ cups caramel dip

#### Method:

In a small pot, heat the caramel dip until barely warm. In a small bowl, add Crunch® and set aside. Place rice crispy treats on a plate and warm in the microwave for 30 seconds. Take each square treat and round into a ball. Flatten the base of each ball, pressing down to create a foot so that the ball won't roll over. Dip each ball into the caramel, covering the entire ball. Roll half of the ball in the Crunch® until covered. Place the dipped ball on a sheet pan covered in baker's parchment and put aside to set. Lightly dust with powdered sugar if desired and serve.
